

Patterns & Function Machines (v1) — Preview

Grades 5-8 · 10 sessions · rule-writing + pre-algebra bridge

What's included in the full pack

- 10 sessions (one per page) + explanation prompts
- Station cards for warm-ups and rotations
- Mini escape-room decoding activity
- Ink-saving version + separate answer key

This preview includes a sample table + rule prompt.

Sample Worksheet: Two-step rule

(From Session 4 in the full pack)

Rule: $y = 2x + 3$

Fill the table:

x	y
-1	
0	
2	
5	

Explain in 1 sentence: how do you know your table is correct?
